Assessment criteria

Score	Description
2 points – Excellent	Can complete the task independently and correctly.
1 point – Good / Little	Can complete the task partially, with a little help, repetition of instructions or encouragement.
0 points – None	Cannot complete the task yet or needs significant support.

Total score	Interpretation
9–10 points	Very good performance – demonstrates most of the assessed skills independently.
7–8 points	Good performance – demonstrates basic skills, with a few areas needing support.
4–6 points	Developing skills – needs more practice and encouragement in several areas.
0–3 points	Needs additional support – further observation and practice are recommended.
